

Oakland Ave Waterline Replacement Notice

What: South Salt Lake is installing new waterlines ahead of the upcoming Public Works Campus remodel.

Where: The effected area is Oakland Avenue (between West Temple and Trax Line). Please review the purple area in the map above.

When: Monday, April 7 to May 5, 2025
Work will start from the west and move east.

Impacts:

Parking: Parking will be removed from Oakland Avenue (between W. Temple and Trax). Due to construction on W. Temple, parking is also removed on W. Temple as indicated in the map.

Deliveries: We will work to facilitate deliveries that need access to Oakland Avenue businesses.

Water Interruptions: We will work closely with impacted businesses regarding water interruptions which we anticipate when we install the new water line.
